

## **CHILDRENS INFORMATION**

We welcome children to our park but have high expectations regarding their behaviour. Please take note of the following information and remember that none of our play areas are supervised.

**Noise** Bearing in mind we have close neighbours with young children, please keep noise within reasonable levels at all times, but especially during the evening. To avoid disturbing other campers, we do not allow any games in any of the camping areas and do not allow children to run around the campsite in the evening, especially after the play areas are closed.

**The Willows** Whilst this is a large open space, please do not allow children to play in this area and in particular please keep them off the golf course.

**Play Areas** The recreation area opens at 9.00am and closes at 7.30pm and the play area opens from 9.00am to 9.00pm or dusk.

**Cycling Etc** We do not allow cycling, skateboards or scooters around the park at any time. Bicycles may only be ridden in the recreation area, which is open from 9am to 7.30pm.

**The Copse** Our copse is for dog walking only and children must be accompanied by an adult when using this area.

**Dogs** If you let your children take dogs for a walk, they must be on a lead and under control at all times around the park. You may let your dog off the lead on the dog walk and in the copse. **MAKE SURE YOUR CHILDREN HAVE POOPER-SCOOPER BAGS.**

**Toilets & Water** Very young children should always be supervised in and around the toilet areas. We have provided high quality facilities on the site and hope you will help us keep them this way by not letting your children play in the toilets.

We do not allow water fights or the use of water pistols or water balloons.

**Gravel and Stones** Please don't let your children throw stones or play with gravel on the grass. It can cause major damage and excessive wear to our mowers
