

Group Bookings

Whilst we take group bookings from time to time, we have found it beneficial to provide some extra information to assist you in deciding if we are the right type of site for you.

For groups of three units or more, we have an average occupancy limit of four per unit. In the event of all-adults groups, this is two per unit.

We would like to draw your attention to our rules on noise, bad language and children's behaviour. Failure to observe these could result in you being asked to leave the park.

Hill Farm Caravan Park is a relatively quiet rural site and in order to maintain the character of the Park, we have developed some guidelines on the noise levels that we feel are appropriate for our business.

It is inevitable that when larger groups of friends and family camp together, especially with a group of children who know each other, the general noise level is greater than that generated by the same number of individual families. In some circumstances this can be disturbing and disruptive for other campers.

Evenings can be a particularly difficult time as other campers begin to settle down and it has been our experience that increases in noise levels are usually proportionate to the volume of alcohol consumed.

We cater primarily for the 40+ age group and families with young children and do not have much to offer teenagers.

Our play area is designed for children up to the age of 10 and is open from 9.00am to 9pm. The recreation area that is used for ball games is open from 9.00am and closes at 7.30pm.

We do not allow loud music at any time and ask that radios and CD's are not left playing in cars with their doors open.

We ask that general noise is kept to a reasonable level at all times and to an absolute minimum after 11.00pm. We would expect large groups to disperse after this time.
